North Arlington, N.J. 07032

Dear Mrs. Monck:

The U.S. Environmental Protection Agency (EPA) plans to conduct a possible remedial and removal action in what it appears to be your property located at 39 New York Ave., lot 10, block 712 Jersey City, N.J. We have tried in numerous occasions to reach you or your son Mr. Richard Pascale on the phone to discuss several issues including the status of your title over, and grant of access to, the above-mentioned property. We would appreciate it very much if you would write to

c/o Dr. John Vafai
US Environmental Protection Agency Region II
Office of Regional Counsel
26 Federal Plaza Room 308
New York, N.Y. 10278

Alternatively, you may call us during the work hours at (212) 264-3244. Please let us know whether you are the record owner of the said property and if so who is your authorized agent to grant access to the EPA. Upon receipt of your letter we will contact you to make arrangements concerning the possible removal and remediation measures.

If we do not receive an answer by July 7, 1989 we will take appropriate measures to obtain lawful access to the said property in order to reduce or eliminate its environmental hazards.

Sincerely yours,

John Vafai
Office of Regional Counsel
